Tuition Reimbursement Procedures

Tracy Learning Center will reimburse students/parents for cost of tuition provided:

- Students pass class with a “B” or better
- Students return the Tuition Reimbursement form along with the required documentation
- Students register for classes indicated on College Early Start Form

Sometimes a student may have to register for a different class than what was listed on their CES form due to full or cancelled classes

- If a student registers for a class that is different from the one(s) listed on the signed College Early Start Form, he/she MUST fill out a COLLEGE CLASS CHANGE FORM. This form is available in the Counseling Office or can be accessed via the Counseling Department web page
- Failure to turn in the CLASS CHANGE FORM will result in no reimbursement from Tracy Learning Center for the class
- Students must submit forms for reimbursement within one semester of finishing their class(es)
- Tracy Learning Center does not reimburse students or parents for the cost of books, activity fees, or student rep fees.
