School District and Community

Millennium High School is part of a three charter schools and a preschool complex ranging in grades Pre-Kindergarten to 12 referred to as the Tracy Learning Center. The total enrollment for 2018-19 is 1,293 students. Tracy is a diverse community of approximately 89,000 people centrally located to the San Francisco Bay Area and Sacramento. The ethnic makeup of our student population is: 53% Hispanic, 24% White, 7% African American, 9% Asian, and 7% Other.

History

The Tracy Learning Center vision encompassed a continuous educational program for students PreK - 12. The focus is to present a new and fresh approach to education that would personalize the learning process and bring greater depth and understanding using technology, broad based curriculum planning and projects. The Tracy Learning Center began in 2001 with Discovery Charter School in grades 5 and 6 and progressed to include grades 7 and 8. Three years later, the Tracy Learning Center began Primary Charter School which now includes grades TK to 4, and Millennium High School. Primary Charter Preschool was added in 2015. With these expansions, the student body has grown from 75 students to over 1,200 students today.

Charter Status

The original charter for Discovery was approved by the Tracy Unified School District in 2001 and renewed in April of 2016. The charter for Millennium High School was renewed in 2014 by the same board for an additional five year term. It is up for renewal again in 2019.

School

Millennium High School, the fourth school in the PreK - 12 continuum, opened in 2004 with freshmen and added a class each year. For the 2018-19 school year the enrollment is 566 students and a staff of 28 teachers, two counselors, and a counseling office manager. The student to faculty ratio is 18:1. The school year is 205 days including a mandatory five week summer program. The focus of the high school is to fully prepare students for a successful life beyond high school which includes: academic preparation for higher education, career exploration including an internship, and a social commitment through a 200 hour community service requirement. In 2017, U.S. News' Best High Schools Ranking awarded MHS the bronze medal, based on state testing results across demographics, graduation rate, and levels of college preparation.

ACADEMICS: 2018 – 2019

There are three educational course sequences for students to follow that all lead to some form of higher education: Early College, College Prep, and Community College or Vocational Training preparation. Early College pathway students are expected to begin taking college classes by the summer of their tenth grade year. They gain experience learning in a college classroom environment. This pathway provides more time for college classes than the College Prep pathway which includes students who are following a more traditional college prep high school program. ***Millennium does not offer AP, IB, or Honors courses. Rather, we encourage students showing academic excellence to take classes at a local community college through a reduced schedule in their junior and senior year and full tuition reimbursement for successfully completed coursework.*** Juniors and seniors take a minimum of four courses which can include college classes. Students earn 5 credits for passing each semester course at Millennium. They earn 10 elective credits for each community college course successfully completed. College prep courses have been approved by the University of California Articulation Department. Technology is used for research, presentations, and writing in all classrooms. Project based learning is part of all curriculum areas for all course sequences.

Graduation Credit Requirements (245 credits)

- English - 40
- Mathematics – 40
(Including Alg. 1)
- Social Studies – 35
- Fine Art – 10
- Economics – 5
- Science – 30
(Including Biology)
- Life Skills (9th Grade) – 10
- Career Education (11th grade) - 10
- Physical Education – 20
- Electives (may include Language Other Than English) – 40
- Senior Internship - 5

Millennium Course Selection

English: English 1P, 2P, 3P, and 4P

Mathematics: Basic Math, Intro to Algebra, Algebra 1A, Algebra 1B, Algebra 1, Algebra 2, Geometry, Pre-Calculus, Calculus and Finance Math

Social Studies: Geography, World History, U.S. History, American Government, Economics

Science: Basic Science, Intro to Biology, Biology, Chemistry, Forensic Science, Anatomy and Physiology, Earth Science

Fine Arts: Art, Advanced Art, Drama, Beginning Band, Advanced Band, Choir

Language Other Than English: Spanish 1, 2, and 3 and American Sign Language 1, 2, and 3

Electives: Technical Construction, Intro to Computer Science in JavaScript, Academic Decathlon, Speech/Debate, Leadership, Film, Creative Writing, Color Guard (**Note:** these electives are not meant to be college preparatory, but rather for enrichment. Most college bound students do not take these electives, but instead take the Foreign Language and Community College courses.)

Additional Courses: Life Skills, Physical Education, Career Education, Senior Internship Seminar

Grading/Class Rank

- Students must earn a C- or better in order to receive credit for a class
- D's & F's receive no credit and must be repeated
- Class rank is determined by the Grade Point Average (GPA) of all high school credit courses taken through the end of junior year
- Millennium weights grades for the Academic Decathlon class and college courses
- All college courses are included on student transcripts and are factored into their GPA

College Credit Earned

Students pursuing a more rigorous course load take advantage of the opportunity to attend classes at the community college. Below is a table showing the average number of credits earned:

Graduating Class	Size of Class	% Taking College Classes	Avg # Credits Earned
2014	104	42%	15
2015	104	48%	13
2016	101	43%	20
2017	127	57%	13
2018	118	55%	17

SAT Five-Year Average Comparison Chart

Year	2014	2015	2016	2017 (Redesigned SAT)	2018 (Redesigned SAT)	2017 Nat'l Mean (most recent released)
Critical Reading	516	515	515	504 (includes Writing)	563 (includes Writing)	533
Math	500	510	515	545	562	527
Writing	495	525	525	n/a	n/a	n/a

Graduates:

41% of the graduating Class of 2018 plan to attend a four-year degree granting institution while 46% plan to attend a 2-year community college or technical school. Students were accepted to the following institutions:

Arizona State University	San Francisco State University
Boise State University	San Joaquin Delta College
Cal Maritime	San Jose State University
California Polytechnic University, Pomona	Seattle University
California Polytechnic University, San Luis Obispo	Sonoma State University
California State University, Chico	Stanislaus State University
California State University, Dominguez Hills	Texas Southern University
California State University, East Bay	Universal Technical Institute, Sacramento
California State University, Fresno	University of Arizona
California State University, Long Beach	University of California, Berkeley
California State University, Monterey Bay	University of California, Davis
California State University, San Bernadino	University of California, Irvine
California State University, San Marcos	University of California, Los Angeles
California State University, Fullerton	University of California, Riverside
Chicago State University	University of California, San Diego
Grand Canyon University	University of California, Santa Barbara
Holy Names University	University of California, Santa Cruz
Humboldt State University	University of Louisiana at Lafayette
Las Positas College	University of Oregon
Mississippi Valley State University	University of Portland
Notre Dame de Namur University	University of the Pacific
Portland State University	University of Utah
Philander Smith College	University of Washington
Saint Mary's College of California	Western Washington University
San Diego State University	

Athletics

Millennium is a member of the California Interscholastic Federation (CIF) and provides a wide variety of athletic opportunities for students including the following Varsity Sports:

- **Boys-** Football, Baseball, Basketball, Golf, Soccer, Cross Country, Track, Volleyball, Swimming
- **Girls-** Softball, Basketball, Soccer, Golf, Volleyball, Cross Country, Cheer, Track, Swimming

Championships:

- **Central California Athletic Alliance/Harvest Christian League**
 - 2009-10: Boys & Girls Soccer
 - 2010-11: Boys & Girls Soccer
 - 2011-12: Football, Boys & Girls Soccer, Girls Cross Country, Softball & Baseball (Co-Champs)
 - 2012-13: Softball; Girls Cross Country sent student to the State Championships
 - 2013-14: Boys & Girls Soccer (Co-Champs), Softball (Undefeated) & Baseball (Undefeated)
 - 2014-15: Softball, Girls Cross Country, Girls Soccer
 - 2015-16: Girls Cross Country, Softball
- **Sac-Joaquin Section**
 - 2010-11: Boys & Girls Soccer
 - 2011-12: Boys & Girls Soccer
 - 2012-13: Softball
 - 2013-14: Girls Cross Country
 - 2017-18: Boys Soccer
- **Nine Coach of the Year Awards**
- **Ten League MVP's**
